

JBRL Press Release

Jimmy Babcock and the entire JBRL team would like to welcome and introduce Proline Racing as the official tire of the 2012 JBRL Electric and Nitro series! Proline has been the world's leader in tires, wheels, bodies and accessories for many years and it is a great honor to have them on board as the official tire of the 2012 JBRL!!!

Proline has supported Hot Rod Hobbies & the JBRL for well over a decade now and it's because of great people like Todd Mattson, Tim Clark & Daniel Adams that we are able to produce such amazing race programs! The JBRL would personally like to thank everyone at Proline for everything they have done and continue to do to make the JBRL what it is today. With support like we receive from Proline, the future looks bright for the JBRL!!!

In addition to sponsorship deals that will be given to some of our 2012 series champions, Proline will also donate product to be given away throughout the entire nitro & electric series!!!
